Professional Summary

Creative and dynamic recent graduate with a flair for design and proficiency in HTML, CSS, and Javascript. Eager to bring fresh ideas and collaborate with like-minded professionals in a fast-paced, innovative environment. Passionate about contributing to cutting-edge projects and learning from industry leaders. Excited to leverage creativity and technical skills to make a meaningful impact in the world of web development.

Education

- **Gulf Indian School (2009-2019)**   Fahaheel, Kuwait
  Higher Secondary Education, 96.8%
- **Rajagiri Christu Jayanthi Public School (2019-2021)**   Kochi, Kerala
  Senior Secondary Education, 92.8%
- **College of Engineering Chengannur (2021-2025)**   Alappuzha, Kerala
  Bachelor of Technology in Computer Science and Engineering

Projects

- **Barsik Bank Web Application -** Sleek and intuitive bank web application, featuring user-friendly account creation and seamless fund transfers. Meticulously designed with a focus on visual aesthetics, ensuring an engaging user experience. Accurate balance computation guarantees precision in financial transactions for a hassle-free banking interface.
- **Docline UI/UX Design (Figma Project) -** A Figma-designed UI/UX project showcases an online doctor appointment booking website. Noteworthy features include a unified account creation for booking appointments at multiple hospitals and an emergency service option for swift healthcare access. The website's overall design prioritizes user-centricity, offering an intuitive and visually appealing experience for seamless navigation and appointment scheduling.

Courses and Certifications

- **Foundation of User Design (UX) Experience - Google**

Leadership & Activities

- **Student Coordinator, Training and Placement Cell**   College of Engineering Chengannur

  As a student coordinator at the Training and Placement Cell, I honed my skills as a team player with a knack for efficient networking. Thriving in a fast-paced environment, I developed strong communication skills while working collaboratively with a diverse team. This role equipped me with the ability to navigate tight deadlines, emphasizing the importance of teamwork and effective communication in achieving collective goals.

- **Co-founder, Paradox Productions**   College of Enginering Chengannur

  As a Co-founder of Paradox Productions, I delved into the realm of cinematography and film direction out of sheer interest and curiosity. This experience allowed me to explore my creative side, collaborate with like-minded individuals, and think beyond conventional boundaries. It's been a journey of passion-driven projects, where I've learned to embrace the unpredictable nature of filmmaking while enjoying the thrill of creating imaginative and unique content.
